

Kreshmore Referral Program

Refer a client and we will share 10% of all fees collected from services rendered.

Why Refer a Client?

Referring a client to Kreshmore connects them with expert financial guidance that drives growth and resolves complex challenges. Whether it's capital markets, investment banking, restructuring, or strategic growth, we deliver impactful solutions.

As a thank-you, we reward those who introduce us to potential clients.

How It Works?

- 1. Make the Introduction:** Submit a referral/inquiry via email or give us a call—whichever works best.
- 2. We Connect & Assess:** We'll reach out to understand their needs and determine fit. You may stay part of the process as much or as little as you like.
- 3. Everyone Wins:** The client gets expert services, you get rewarded, and we deliver results. If they become a client, you'll receive a referral bonus as a thank-you.
